INTEREST

When I have some time for myself, I play flute. I also have a huge interest in Sketching, I love to listen music with a cup of tea !

01

ABOUT ME

I am a creative problem solver with a passion for bringing ideas to life through design and technology.

As a graphic designer, I specialize in crafting visually stunning and cohesive brand identities, marketing materials, and digital assets. In my role as a front-end developer, I enjoy the challenge of translating design concepts into dynamic and interactive digital experiences.

02
